Glo-Ray® Heated Glass Merchandisers

Models: GR3SDS-27DCT, -27TCT
GR3SDS-33DCT, -33TCT
GR3SDS-39DCT, -39TCT

Hatco Glo-Ray® Heated Glass Merchandising Warmers are perfect for self-serve operations, designed specifically to hold hot wrapped or boxed product at optimum serving temperatures. Increasing holding capacities and impulse sales with a beautiful curved design that compliments any décor.

Standard features

- Unique, patented heated glass shelves with infinite controls conduct heat to food product above and below
- Blanket-style heating elements in the hardcoated base and canopy are thermostatically-controlled
- LED lighting allows for optimum food product display with energy savings
- Attractive curved top design includes a built-in front sign holder for your own custom signage, 26.75" W (679 mm) x 3" H (76 mm), at the top front of the unit
- Also comes with: tempered glass side panels, 2.5" (64 mm) legs, sign holder on upper canopy, thermostatically-controlled heated base and upper canopy, and comes standard in *Designer Black* ■
